

ANDO™ | Slimline Sliding Door Lock

Slimline Surface Mounted Sliding Door Lock

Key Features

- The ANDO™ slimline sliding door lock incorporates a twin actuated locking mechanism with dual 316-grade stainless steel locking tongues. There is no lever or D-pull to protrude over the glass, ensuring clean lines and a sleek appearance.
- Heavy duty stainless steel tongues.
- Can be colour matched.
- Slim elegant design.

ANDO™ Slimline Sliding Door lock can be supplied in a range of standard and special powder coat finishes to match the door framing.

The twin locking stainless steel tongues nest into matching adjustable keeper.

When used in the Series 471 Apartment door the ANDO™ slimline clears the screen door.
